For those of you on our Go As You Please option, the afternoon is yours to explore Wellington city. You may want to hit the shops on Lambton Quay, wander the sunny waterfront, or sample some of the local gastronomic delights in one of the many world-class establishments. You are free to make your own choices for dinner tonight.

For those on the all-inclusive package we have a guided tour of the city to look forward to in the afternoon. Full of hidden gems, we will explore some of the less travelled parts of the city. From the 360 degree views from Mt Victoria, to the rocky shoreline around the southern suburbs, we hope to see plenty of our capital city. We visit Miramar, known locally as 'Wellywood' – home of New Zealand's growing international film industry. After our scenic trip we will be dropped off back at our hotel in good time to relax, enjoy the views and get ready for dinner this evening at the hotel restaurant.

Sunday The next day we are up early and off home on one of New Zealand's fantastic scenic rail journeys – the Northern Explorer. We will enjoy breakfast on this world-class rail trip, which takes in the scenic Kapiti Coast before heading through the rugged farmland of the North Island.
