For a total South Island experience, why not add on the new "Top of the South Island" tour.

26 OCT - 5 NOV 2020 HT2020/05 - \$5495 pp

**DAY 1** After pick up at the door (all part of the Hinterland service) we head south – enjoying a day of each others company on the road to Wellington. After leaving the Bay of Plenty behind, we pass Taupo and then the stunning volcanoes of the Central Plateau. Further south, past the farmland of the Manawatu we reach Wellington for a good night's sleep at a top hotel before the South Island awaits in the morning.

**DAY 2** After breakfast we are at the ferry terminal in time to catch the ferry to Picton. This 3.5 hour journey cruises the Marlborough Sounds for the later parts – keep your eyes peeled for seals sunning themselves on the rocks. Upon arrival into Picton we have time to look around the town and have lunch at a local cafe if required before we board the recently refurbished Tranz Coastal train for a memorable ride down the coast to Kaikoura. Past the wineries of Marlborough and the salt works at Lake Grassmere, we follow the rocky coast to Kaikoura for our first night on the South Island.

**DAY 3** This morning we have a treat in store – a flight out off the coast of Kaikoura viewing the resident sperm whales. Kaikoura has a natural sea trench close to shore which is full of food for a wide variety of marine mammals – whales, dolphins and seals abound in this part of the world. Your flight is a once in a lifetime chance to see these massive creatures from a whole new perspective.

After the excitement of spotting the whales, we cruise a short distance inland to Hanmer Springs. The drive through the Inland Kaikoura Mountains is stunning. We will explore this charming town for the afternoon - perhaps you may fancy a dip in the hot pools the town is famous for. Then we head south through the sheep farming country and braided rivers of North Canterbury towards Christchurch – the South Island's largest city – where we will spend the next couple of nights.

**DAY 4** Today is all about exploring 'The Garden City'. This morning we head into the city to meet a local guide who will show us around the ever-changing CBD and surrounds. After the devastating earthquakes of 2010/11, Christchurch is getting back on its feet and there is plenty of interesting sights to see. In the afternoon we will explore further out of the city centre.

See scenic suburbs such as Lyttelton and Sumner, enjoy panoramic views of the city and plains, with the Southern Alps standing tall in the distance. On the way back to our accommodation we will visit historic Mona Vale homestead with its picturesque gardens and streams. Tonight we enjoy a good rest before another exciting day tomorrow.

**DAY 5** Next morning's highlight is one of the world's best train rides – the TranzAlpine. The scenery from the large panoramic windows will take your breath away. From plains and rivers, to forests and the peaks of the Southern Alps. After reaching Arthurs Pass the train descends through lush West Coast rainforest to finish at Greymouth where the minicoach is waiting for you. This is a trip that will provide long-lasting memories.

From Greymouth there is more amazing scenery in store as we hit State Highway 6 and head south down the West Coast, what a special part of New Zealand. Our final destination today is Franz Josef, but on the way we stop at historic Hokitika and then on to Ross to try our luck at gold panning. This is where New Zealand's largest nugget of gold was found in 1909! More rainforest and dramatic scenery await as we roll into Franz Josef – a long but memorable day. Tonight we stay in the village, and will enjoy a lovely dinner out together.

**DAY 6** More dramatic scenery awaits for our next day as we head further south. Following the Westland National Park with the Alps as our backdrop, we have breakfast en-route at Lake Matheson – famous as the 'Mirror Lake'. Sit back and enjoy more scenery as we continue towards Haast, with plenty of photo stops along the way, a photographers dream with innumerable lakes, rivers, forests and mountains.

After reaching Haast ( our venue for lunch ) we leave the coast behind and head up and into the Aspiring National Park and over the Haast Pass. On the other side we see Lakes Hawea and Wanaka where we stop briefly to enjoy this popular holiday resort. We take the back road towards Queenstown, over the Crown Range Road, and head down the Gibbston Valley towards New Zealand's adventure playground of Queenstown. We will be ready to get a good nights sleep in our central city hotel.

**DAY 7** After a couple of days travelling it's time to relax in Queenstown and enjoy this popular lakeside resort. Following a late start and hearty breakfast, we will have time to explore the town before boarding Queenstown's most iconic attraction – the TSS Earnslaw. Cruising across Lake Wakatipu to Walter Peak Station, this 107 year old steamship provides a taste of yesteryear. You can even view the engine room as she chugs across the lake. A farmyard tour on the station is included in the trip.

On return to Queenstown we then look forward to a delicious dinner with the best view in town at Skyline gondola. Travelling 450 metres above Queenstown, this must do attraction affords stunning views over Queenstown, The Remarkables and Lake Wakatipu. The colours change at dusk as we dine – what a night to remember.

**DAY 8** Sadly we have to leave Queenstown behind as we make our way east towards Dunedin. First stop is the historic mining town of Arrowtown, here you can see the Chinese Village and other interesting sights. Further on we visit Cromwell and its historic quarter (moved to higher ground when the area was flooded to make Lake Dunstan). Then we follow the Clutha River to Alexandra and into the heart of Central Otago. We will detour to visit the old mining town of St Bathans with its haunted hotel, (our location for lunch today) and pass through the Maniototo as we continue on through Middelmarsh to Dunedin, our destination today where we stay at a city centre hotel.

**DAY 9** After a delicious breakfast this morning, we are met by a local guide who will show us around 'The Edinburgh of the South'. Dunedin is a fascinating city full of history and character and we will get to see some of its iconic sights including the ornate Railway Station. Of course we will also visit Baldwin Street – the world's steepest, before heading north, following the Otago coastline to Moeraki – home of the famous boulders, these prehistoric rocks are almost too round to be true!

We stop at one of New Zealand's most significant early sheep stations at Totara Park, here you will have a guided tour of the original farm buildings followed by refreshments similar to those served to the workers in the 1880's. We then continue on to Oamaru with its lovely Victorian limestone buildings and home of the "Steampunk" movement, time here to wander the interesting art and craft shops for a while.

We then head inland up the Waitaki Valley, passing some of the hydro-electric lakes that power much of the country. Continuing on, the mountains get closer as we head

further inland, along Lake Pukaki, to our overnight stay at Mt Cook village. With New Zealand's highest mountain towering over us, we will enjoy a stay at The Hermitage – one of New Zealand's most iconic hotels.

**DAY 10** Before we depart The Hermitage, we have time to visit Sir Edmund Hillary Centre where we can discover the history of this iconic region. This tribute to Sir Edmund Hillary, humanitarian, ambassador and one of the world's greatest explorers, the centre showcases the Aoraki Mount Cook region, its people and its place in the universe. We then depart towards Christchurch, our first stop today being the lakeside town of Tekapo, made famous by its iconic chapel situated on the shores of Lake Takapō amongst the natural beauty of the lake and the mountains, the Church of the Good Shepherd was built to the glory of God and as a memorial to the pioneers of the Mackenzie Country. We then continue on the more interesting inland scenic route to Christchurch, with a stop for lunch in Fairlie and at the Raikaia Gorge. We have arranged a special dinner this evening for our last night together.

**DAY 11** Sadly our South Island Highlights Tour must come to an end, so after our last breakfast together we make our way to Christchurch Airport where our direct flight back to Tauranga awaits and our drivers will be waiting for your final transfer to home. It's time to say goodbye to your host and guide who will be staying in Christchurch to meet our new travelers who will be arriving to embark on the first of our "Top of the South" tours for the next 8 days, why not join them for the total South Island experience as they travel north to Wellington via the west coast and the Nelson region to see more of the "Mainland".
